Hi Emanuel,

This is Adrianna Grancio on the Plumbers/Spray in Place matter. I am following up on the voicemail I just left you. On 3/13, I sent you a draft letter concerning the discovery dispute in this matter. The judges rules require both parties to set forth their position in a single letter. I requested that defendant provide that by 4:30 pm 3/14. I still have not received anything. Please provide defendant's position no later than 4:30 pm today, 3/17. If I don't receive defendants position I will update the letter to reflect the same.
